Shawn, Betsaida,

Please advise as to how we should respond/handle.

Ex. 5 - Deliberative

Here's a suggested response based on what we say in the press release:

Subject: Question about Dimock sampling

Hi Terri,

I have the following question regarding today's announcement about Dimock, Pa:

* Does EPA's decision to perform water sampling in Dimock, Pa. indicate EPA has come to the conclusion that the tests conducted by Pennsylvania DEP, and PA DEP's resulting regulatory response, have been incomplete or inadequate?

Thanks,
Steve
